SUNSHINE TOUR
INTRODUCTION

Congratulations on qualifying for the Sunshine Tour Championship! We're thrilled to be able to offer you the chance to compete on the 'hallowed turf' of England's most famous showground, The All England Jumping Course at Hickstead.

Our aim is to put on a fun and exciting championship show, run to the highest standards possible whilst maintaining a friendly, inclusive atmosphere. The ethos of this competition as an amateur & unaffiliated championship is very important to us, our sponsors and our competitors, so we request that all participants respect the spirit of restrictions, not necessarily just the letter of the law. In some cases competitors and/or horses can have lightly competed in affiliated competition, but 'professionals' are excluded (see 'rules & conditions'). We have tried very hard to keep entry restrictions relevant and realistic; if you are in doubt about whether you are genuinely eligible to compete or which section you should compete in, please contact Sunshine Tour HQ at info@sunshinetour.co.uk for clarification.

You may have more than one class to choose from, relevant to your original qualification. As a guide: 'Small Tour' classes are for novice / inexperienced and 'Grand Tour' classes are for more experienced / competitive combinations. Read the class notes and restrictions carefully to ensure you enter the correct class for your own and your horse's experience and previous winnings.

If you find that you are overqualified for the class that you qualified in, either because of restrictions or because you are now competing at a higher level then you can voluntarily change to a higher level class. For example: in dressage if you qualify in Prelim, but don't fit within the restrictions you could enter Novice if you fit within those rules; in jumping if you are over qualified for 70cm then you can change to 75cm or above; in showing if you are outside the restrictions for a Small Tour class, you can move to a Grand Tour one instead. Horses/riders that have more than the allowed points or placings, but NONE earned since 1st January 2016 (for showing at RIHS, Olympia & HOYS it's 1st January 2014) are eligible to compete. You can contact HQ for clarification on info@sunshinetour.co.uk

We hope that you will join us in creating a fun and fair competition for all and enjoy yourself! Good luck!

- ☺ British Showjumping rules apply, including for horse/pony saddlery, tack and welfare, rider's dress & conduct.
- ☺ Each warm up area is restricted to riders competing in that competition arena (number depends on size of warm up area), if you require longer to warm up you may have an alternative area available but it may not be adjacent to your competition arena and may be on grass. We advise you allow yourself plenty of time to park, get to the ringside to declare, go back and forth to warm up area and return to ringside in time for your drawn order of competition.
- ☺ Top 5 placings in most championships go forward to supreme championship jump off, see class information for details.
- ☺ All classes are drawn order and riders must declare at ringside. If you miss your drawn slot, you are not guaranteed to be able to compete and/or may have to wait until the end of the class.

SHOW JUMPING CHAMPIONSHIP
RULES & RESTRICTIONS

The spirit of this competition as an amateur & unaffiliated championship is very important, to our sponsors and to our competitors, so we request that all participants respect the spirit of restrictions not just the letter of the law. If you find that you are overqualified for the class that you qualified in, you can voluntarily upgrade to a higher-level class. Horses/riders that have more than the allowed points or placings, but NONE earned in the period 1st January 2016 to the date of this year's championship are eligible to compete. If in doubt, contact HQ for clarification.

This championship is for unaffiliated and amateur riders with unaffiliated and novice horses/ponies. Professionals and professionally produced combinations are excluded from competing in the Sunshine Tour. Our definition of a 'professional' is someone who earns money from:

- Riding, training, schooling or competing horses/ponies.
- Buying and/or selling or breaking in horses.
- Teaching and/or training riders (see exception below).
- Judging affiliated classes in the same discipline as your competition (paid or unpaid).

People who work with horses primarily for care, involving only day to day care & general exercising of horses (e.g. grooms, vet nurses) can compete. If your job involves professional riding, schooling, training, breaking or production of horses you will not be eligible. We accept some genuinely amateur riders might sometimes help a friend by riding their horse, assist in breaking in or occasionally sell on a horse, but if you earn part of your living from riding for others, you are not eligible.
If you only teach in a Riding School and do not teach anyone on their own horse then you are eligible to compete. If you participate in any 'professional' level activities on a regular basis please respect the amateur nature of this championship and help your clients instead!

SHOW JUMPING
All points/winnings restrictions refer to the period 1st January 2016 to the date of this year's championship so if horse/rider is over qualified provided NONE of the points/wins have occurred during this period then you are eligible – if in doubt please check with Sunshine Tour HQ by email info@sunshinetour.co.uk

You CAN compete in Small & Grand Tours if you fit the relevant restrictions, but Mini Tour is exclusive. Tours are divided by competence and competitive achievement as well as measurable restrictions, please respect the spirit of each level as well as the letter of the law. Information Overload!?!
We are very happy to help with queries, but BEFORE you contact us please READ THE SCHEDULE & FAQ's

FREQUENTLY ASKED QUESTIONS

What is the difference between Mini Tour, Small Tour and Grand Tour classes?
'Tours' are just categories. The basic difference is about the level of competition and experience of the competitors. Mini Tour is for very inexperienced riders, Small Tour is for novice combinations and Grand Tour is for more experienced. Before you enter, make sure that you check the rules & restrictions (in each discipline's page on www.sunshinetour.co.uk) for an explanation of who can go into which category.

How Many Championship Classes Can I Enter?
Dressage: you can enter one championship per qualification number. You can compete in 2 consecutive levels. Show Jumping: you can enter one championship per qualification number. You can compete in a maximum of 5 championships and your championships must not be over 20cm difference from lowest class to highest. Eventers Challenge: you can enter one championship per qualification number. You can enter up to 3 levels, with due consideration for the fitness of your horse/pony. Showing: you can enter one championship per qualification number. You can enter any number of classes, with due consideration for the health of your horse/pony.
In all disciplines: you must have qualified during the current qualification period, submitted your qualification card/form and received qualification numbers before entry to a championship class. If you've qualified for more levels than you can take part in, then you must 'drop' the lowest level. All qualified competitors can take part in training, warm up & open classes.

Can I enter Mini Tour, Small Tour AND Grand Tour classes?
Hmmm, not always straight forward! Generally speaking yes you can, just remember that if you want to compete in the more restricted class (i.e. Mini or Small Tour), you and your horse/pony must fit within the restrictions. If you are within those rules, then there is nothing to stop you competing in the Grand Tour as well. Please remember the 'spirit of competition' and don't compete below your genuine capability. Competitors considered to be competing below their ability may be removed from a class or changed to a more appropriate Tour.

I've qualified more than once for the same level of competition/class – can I enter more than once?
Record each qualification - it might be possible to upgrade or swap for something else so that you can make the most of your qualifications.

My horse or the qualified rider have taken part in affiliated competitions, can they still enter?
That will depend on how much money has been won, or points awarded, or level of competition you've taken part in and how long ago you earned the points/wins. Please refer to the restrictions allocated to each class (available in each discipline's championship page on www.sunshinetour.co.uk) or if in doubt contact us at Sunshine Tour HQ on register@sunshinetour.co.uk for clarification.

Can I change the horse or rider/handler from the original qualification?
There's a simple answer to this one – absolutely not!

What happens if I've qualified, but then find that I'm 'overqualified' for the championship?
If you're overqualified, you can voluntarily move up a level e.g. if you've qualified for Prelim dressage, but don't fit into the restrictions for the Prelim championship but are eligible for the Novice, then you can enter the Novice instead. You can't downgrade from your original qualification.

I qualified in a showing class, but now find that the horse height restrictions or rider age restrictions are different in the championship class. Can I enter the original class that I qualified for?
The quick answer is - you go with the championship restrictions even if different from the qualifying class.

What's available for warm up?
There are warm up / open classes in every discipline and arena familiarisation for dressage. There are also warm up areas for use on the day.

What happens if a championship class gets oversubscribed?
If this happens, then we will keep a waiting list and let you know if a space becomes available. Entries are taken on a first come-first served basis and classes might fill before the closing date. Qualification and pre-registration is not a guarantee of entry availability.

What happens if I have to withdraw after entering?
If you have to withdraw before the entry closing date, you will be refunded minus an admin fee. Withdrawals after the entry closing date, up to 30th September will only be refunded on receipt of a vet's or doctor's note explaining why you were unable to compete (minus an admin fee). No refunds whatsoever for stabling cancellations after entry closing date, sorry this has to be a strict rule.

Does my horse have to be vaccinated to compete or stay overnight at Hickstead?
Yes, vaccination for equine influenza is required. Horses/ponies must have an up-to-date annual vaccination or have completed at least TWO initial vaccination injections. In either case, the last injection/booster must not be given after 5th September 2019.

Can I stable overnight? Can I bring my own bedding, hay and feed? Can I buy bedding, hay and feed?
Yes, stabling is available to pre-book (but gets full up very quickly). Yes, you can bring your own bedding, hay/haylage and feed or you can purchase bedding, hay and haylage (but not feed) with your stable booking. Limited amounts of bedding, hay and haylage may be available to purchase on the day (cash only). Please note collection times may be limited to afternoons and the buyer is responsible for collection (wheelbarrow recommended!).

Can I camp? Can I stay in my lorry? Does it cost to park and enter the show?

Additional vehicles for overnight accommodation, like caravans, campervan, extra horseboxes pay £10 per night. There is electric hook-up available, pre-book with your entry.

EQUINE AMERICA UK

Can I bring friends and family? Does it cost to park and enter the show?

What catering and food shopping is available?
