

Sunshine Tour Championship 2022

HOW TO QUALIFY

Before you Start: Check that the competitor AND the horse / pony are eligible to compete at the Championships. Rules & Regulations for each discipline available in the 'Championships' pages www.sunshinetour.co.uk

Step 1: Find out where to qualify and check which classes are eligible - see 'Qualification' pages at www.sunshinetour.co.uk. If you cannot find a registered venue near you offering relevant competitions, there are options available, so please email us on register@sunshinetour.co.uk.

Please check the list of registered venues first!

Step 2: Compete at a registered centre / show / club and achieve 1st to 4th in an eligible class in dressage, show jumping, showing, eventer's challenge/arena eventing. If you're placed in the top 4, make sure you take a note of your result and all the qualification information.

Step 3: Register your horse/pony via the Sunshine Tour website and you'll receive a Horse Registration Number (you'll need this to submit your qualification). You only need to do this once per horse/pony.

Step 4: Within 1 month of qualification, record your qualification and submit evidence that you were placed in the top 4 results i.e. a link or screenshot / photo of online results from the showground.

Step 5: We will process your qualification for you and email you a Unique Qualification Number (you'll need one qualification number for each championship class you want to enter at the Sunshine Tour).

Ride - Compete - Qualify - Repeat. Record qualifications every time you're placed 1st to 4th!

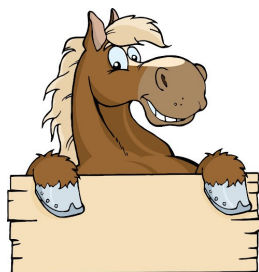

All the best of luck and we hope to see you for Sunshine Tour 2022!

Rules and restrictions apply to each discipline, information available on website.
