

## NEW TIMETABLE LAYOUT - PLEASE READ NOTES BELOW

We have done our absolute best to estimate timings to create a helpful timetable and give you guidance to plan your day, but the exact time taken for every class is difficult to predict prior to entries. More guidance on timetabling will be published just prior to entries opening to help you plan your Sunshine Tour days. 😊

- Classes are grouped together into Championships, winners & reserves from each championship are eligible to go forward to the relevant Supreme Championship.
- Each group of classes is shown in a box, which indicates how long we expect the whole group of classes to take. Supreme Championships are expected to take place toward the end of the allocated time (just before the start of the next group of classes).
- Each group, and in some cases mid-group are given 'starting not before' times. Classes will not start before the time mentioned, but might start later.
- The exact length of each class will depend on entries, precise start times for every class will be published after entries close.

#### **About TSR Training Classes:**

A chance to run through the format of the type of the class that you have entered (in-hand or ridden), familiarise your horse/pony with the showground and rings and receive valuable feedback from an experienced judge, who will guide you through the whole process. Competitors can present themselves in show gear and fully 'turned out' or just neatly presented in 'normal' riding attire (you may want to bring a photo of your show attire to consult the judge on suitability). You are advised to present your horse in showing tack, but boots / bandages may be worn.

Stallions and youngstock to be shown by suitably experienced handler/rider and appropriately bitted and clearly display tail ribbons.

#### **About TSR Talent Spotting:**

All Training classes are part of the TSR Talent Spotting series for The Showing Register Amateur Rider & Handler of the Year 2023. Exhibitors can be Talent Spotted by the judge for the Final to be held at the TSR Summer Show 2023.

#### **About Novice & Newcomer Championship (Friday):**

Classes S4 & S5 are championship classes open to qualified and unqualified combinations, with rosettes awarded to 1st to 10th, champion and reserve champion are awarded sashes and are eligible to go forward to the Novice & Newcomer Supreme Championship.

**The 4 highest placed handlers/riders will also qualify for the 2023 TSR Showing Final.** You do not have to be a TSR member to qualify or enter a final, the Rider/Handler qualifies and can enter any horse/pony in any number of Finals. Competitors MUST have their qualification record sheet signed by judge/steward (available FREE from the TSR website).
