

Journey Through Hickstead

Start your journey at your stable or horsebox. Make sure you've got everything and **don't forget your bridle number.**

Navigate around the trailers, tents, wheelbarrows, excited children and everyone else in your way (!) and head for the bottom of the 'Stable Field' as you go past the Hickstead Shop (open from 7am-7pm) and your actual journey to your championship starts. Get a march on, it's a big place!

From the very BOTTOM of the Stable Field parking area, as you go past the Hickstead Shop allow journey time through the potentially busy walkways
