CONDITIONS FOR REGISTRATIONS	12

# REGISTRATION – TYPE DEFINITIONS

## 2. HACK, COB, MAXI COB AND RIDING HORSE REGISTERS

### (A) Registers

## Hacks

(i) **Hacks:** The ideal Show Hack is of Thoroughbred type and should be capable of carrying an average adult. ***The Hack must be a pleasure to ride and have excellent manners.*** The Hack should be in self-carriage and be light and soft to ride, it should also have correct conformation with the emphasis on quality and elegance. The latter stems from a well set on head and neck combined with a good length of shoulder. The movement should be smooth and graceful with a true pointing of the toe. To achieve these qualities ***the Hack must be extremely well schooled.***

### Hacks can be:

**Small Hack:** mare or gelding, 4 years old and over, exceeding 148cms, but not exceeding 154cms.

**Large Hack:** mare or gelding, 4 years old and over, exceeding 154cms, but not exceeding 160cms.

The Association recommends that Shows should provide two classes for Hacks, but if it is only possible to hold one class the full range of height should be covered and the wording should be as follows:

**Open Hack:** mare or gelding, 4 years old and over, exceeding 148cms, but not exceeding 160cms.

For Novice, Ladies Side Saddle, Young Rider, Restricted, Amateur and Amateur Owner Rider classes see Rule 6 (Definitions and Classifications).

**Hack Judging:** to be judged on type, ride, manners and conformation. It is recommended that Judges use the following percentages when judging Hacks: Ride 40%, Conformation 40%, Individual Show 20%.

The compulsory individual show should not exceed 1½ minutes and should include walk, trot, canter, rein-back, stand still and obedience to the leg.

***Judges should penalise lack of manners.***

**Hack – Untrimmed whiskers and ear hair will not be penalised by the Judge (2022)**

## Cobs

(ii) **Cobs:** The Cob is a type rather than a breed. A short-legged animal, with bone, substance and quality, capable of carrying a substantial weight. The Cob should be ***well mannered*** and ideal for nervous or elderly riders. Cobs should have sensible heads, (sometimes roman nosed), a full generous eye, shapely neck, well muscled, with a hogged mane (***showing no significant growth***) and well defined wither. The Cob should also have clean, strong hocks and all the attributes of a good hunter; low movement and a comfortable ride.

Cobs must be registered as lightweight (minimum of 8½" bone), heavyweight (minimum of 9" bone) or Maxi Cob exceeding 155cms and are defined as follows:

## REGISTRATION – TYPE DEFINITIONS

**Cobs can be:**

**Lightweight Cob:** mare or gelding, 4 years old and over, exceeding 148cms, but not exceeding 155cms, capable of carrying up to 14 stone.

**Heavyweight Cob:** mare or gelding, 4 years old and over, exceeding 148cms, but not exceeding 155cms, capable of carrying more than 14 stone.

**Maxi Cob:** mare or gelding, 4 years old and over, exceeding 155cms – *with a recommended height limit of 160cms* – to be judged as Cobs. Judges must pay particular attention to type (i.e. short legged animals of COB type). To be shown hogged (*showing no significant growth*).

First and Second prize winners of Maxi Cob classes are **NOT** eligible for Open Cob Championships at shows **ONLY** holding Open Cob and Maxi Cob classes.

For Novice, Ladies Side Saddle, Young Rider, Restricted, Amateur and Amateur Owner Rider classes see Rule 6 (Definitions and Classifications).

Affiliated Shows are recommended, where possible, to hold three classes, either Novice, Open and Maxi Cobs or Lightweight, Heavyweight and Maxi Cobs. When shows are only able to hold one class the wording should be as follows:

**Open Cob:** mare or gelding, 4 years old and over, exceeding 148cms, but not exceeding 155cms. To be ridden.

Shows holding Novice, Amateur and Open Maxi Cob Classes, in addition to Weight Classes, may include the First and Second prize winners of these classes in their Overall Cob Championship.

**Novice Cob/Maxi Cob:** mare or gelding, four years old and over exceeding 148cms.

Where Shows hold a combined Novice Cob class, Novice Maxi Cobs will be eligible to enter. If Shows hold separate Novice Cob classes, i.e. Lightweight & Heavyweight, Novice Maxi Cobs will not be eligible to enter.

**Amateur Cob/Maxi Cob:** mare or gelding, four years old and over exceeding 148cms.

Where Shows hold a combined Amateur Cob class, Amateur Maxi Cobs will be eligible to enter. If Shows hold separate Amateur Cob classes, i.e. Lightweight & Heavyweight, Amateur Maxi Cobs will not be eligible to enter.

Owners of Cobs must take particular care that they are registered in the correct weight category. ***Queries regarding classification should be addressed to the General Manager.***

Judges may not change a Cob's weight category at a show but will be expected to notify the Association if they consider a particular Cob to be in the wrong weight and pay particular attention to type and weight carrying ability when judging the respective classes. No Cob may change weight during the season if it has qualified for the Royal International or Horse of the Year Show during the current season.

**Cob – Untrimmed whiskers and ear hair will not be penalised by the Judge (2022)**

## REGISTRATION – TYPE DEFINITIONS

Only when the Cob has been re-classified may it be shown in the other class. If already entered for a show and subsequently re-classified, the Exhibitor must inform the show concerned who should transfer entry to the correct class.

Weight Cobs, aged 4, 5 or 6 years old, whether Light or Heavy, that hold a current and valid JMB Height Certificate, cannot compete in Maxi Cob classes. They may only move to the Maxi Cob category if re-measured greater than 155cms in the current year or, are registered as a Maxi Cob at the start of the following year.

Weight Cobs, aged 7 years old or over, whether Light or Heavy, that hold a current and valid JMB Height Certificate issued after the 1st January 2011 cannot compete in Maxi Cob classes. They may only change category to Maxi Cob if re-called for measurement and upon re-measurement, exceed 155cms.

**Cob Judging:** to be judged on type, ride, manners and conformation. Judges should ask the class to gallop (conditions permitting). Cobs should be judged in the same procedure as Hunters, but they should be well schooled and particular attention should be paid to manners.

### Riding Horses

**(iii) Riding Horses:** A Riding Horse is between a Hack and a Hunter. It should have quality, substance, good bone, correct conformation, presence and true action. Horses may not be registered as Riding Horses if they have been placed 1st, 2nd or 3rd in any ridden Hunter class at the Royal International Horse Show or the Horse of the Year Show in the current or previous year.

Riding Horses can be:

**Small Riding Horse:** mare or gelding, 4 years old and over, exceeding 148cms and not exceeding 158cms.

**Large Riding Horse:** mare or gelding, 4 years old and over, exceeding 158cms.

The Association recommends that shows, if possible, should hold classes for both height categories. If there is only one class held it must cover the full range of heights and the wording should be as follows:

**Open Riding Horse:** mare or gelding, 4 years old and over, exceeding 148cms.

For Novice, Ladies Side Saddle, Young Rider, Restricted, Amateur and Amateur Owner Rider classes see Rule 6 (Definitions and Classifications).

**Riding Horse Judging:** to be judged on type, ride, manners and conformation; Judges should ask the class to gallop (conditions permitting). Judges must ride the Exhibits first and then may require individual shows from as many as time allows. The individual show should not exceed 1½ minutes and should include walk, trot, canter, gallop, rein back (optional), stand still and obedience to the leg.

**Riding Horse – Untrimmed whiskers and ear hair will not be penalised by the Judge (2022)**

The JMB Rules include a list of official measurers and the fees required. Measurements can be made throughout the year; all Annual Height certificates expire on the 31st December.

The Association reserves the right to recall any animal from any section for re-measurement at any time, at their discretion.

**(2022) = Changes to the Rulebook for 2022**

The Association may recall for re-measurement any animal from any section that measures smaller/larger than previously registered and moves into a smaller/larger category i.e. Maxi Cob to Weight Cob; Small Riding Horse to Large Riding Horse.

Any animal that is re-called for re-measurement by the JMB and does not attend the re-measurement as requested shall have, at the discretion of the Board, its registration suspended.

**(v) Registration:** Registration Forms will be available to Members wishing to register their animals. Forms must be completed and returned to the Secretary together with the Registration Fee. On the receipt of all documents, including a fully legible copy of the animal's passport, a current JMB height measurement (where applicable) a Registration Certificate will be issued, signed by the relevant Officer.

Animals may compete when the Registration Fees have been paid and the animal has been officially measured into the appropriate height section. Novice animals must be Registered to compete in Affiliated competitions or purchase a Day Ticket prior to competing.

**(C) Change of Ownership:** This must be notified to the Secretary within two weeks by the vendor, giving name and address of the new Owner, enclosing the appropriate section of the old Registration Certificate. The new Owner must also make notification of purchase to the Secretary and pay the required fee.

### **(D) Naming:**

**(i) Not Previously Registered Animals:** All Horses registering with the Association must use the "Name" that is already on the current passport of that animal; there shall be no change of "Name" permitted. Members are reminded that should an animal require a JMB height certificate, in order to Register with the Association, the "Name" on this certificate must correspond with that on the passport. The Association will not be responsible for any costs that might be incurred due to failure to comply with this Rule.

**(ii) Previously Registered Animals:** All Horses re-registering with the Association must use the "Name" that it has been, or is currently Registered with the Association; there shall be no change of "Name" permitted. Members are reminded that should an animal require a JMB height certificate, in order to re-register with the Association, the "Name" on this certificate must correspond with that previously Registered for this animal. The Association will not be responsible for any costs that might be incurred due to failure to comply with this Rule.

**(iii) The Association reserves the right to veto** all "Names" prior to Registration and could refuse to allow the use of a "Name" should it be deemed by the Board to be offensive, inappropriate, plagiarised, duplicated or subject to any copyright or trademark; this list is not exhaustive. Should the Board deem it necessary, it will request written authority of acceptance of use of "Names" that are deemed to be protected and from whom the Board deem it may be required. The BSHA might also instruct a microchip reading. Where there is an original "Name" on a passport, the original will remain on the Passport and the new "Name" will be added.

## REGISTRATION – CONDITIONS

**(iv)** Under the **Horse Passport Regulation (England) 2009**, a Horse is only allowed to have one passport. If a Horse has more than one, it is recommended that the first issued and higher integrity passport (with the most complete pedigree for example) be retained and used. Any other passports should be returned to their relevant Passport Issuing Organisation for rescinding in favour of the chosen passport. Any vaccination records/declaration pages should be returned from the rescinding PIO for inclusion in the chosen passport. The name on the chosen passport would not be subject to change.

Should there be any confusion with the Ruling, please contact the office for advice prior to obtaining any JMB height certificate or Registration. The BSHA also reserve the right to sanction a change of Name in exceptional circumstances. Should this occur, a charge of £300.00 will be levied.

**(E) Identification of Horses:** The identification of Hacks, Cobs, Maxi Cobs, Riding Horses and Hunters must be in accordance with their National Passport or JMB Height Certificate at all times; markings must not be hidden, altered or covered with make-up. # CLASSIFICATIONS

The classes will be made available through grass root level shows, riding clubs and our already listed shows. They will be able to be amalgamated into one class or two classes until the series gains momentum. This could then end up with shows splitting classes and having a Rising Star championship.

The two highest unqualified exhibits will qualify for the final from all shows holding Rising Star classes. Those qualifying at a clinic may be asked to attend a regional clinic in preparation for the BSHA National Championship Show. The Supreme Final will be held at the BSHA National Championship Show, with a prelim judging and final championship. A bursary of £200 kindly donated by the Talbot Family will be presented to the winner to be used with a BSHA Accredited Trainer of their choice.

The Rising Star Series will be supported and promoted using the 'selected' accredited trainers to the BSHA. These trainers will be able to contact the office for rosettes to be sent for presentation. To keep admin simple, the office/website details will be printed on the back of the rosettes so that the qualifying person can simply get to the information for the next stage.

The trainers will be sent an information pack explaining how the series works.

## MEMBERSHIP

The classes will be open to non-members and members who have never qualified for RIHS or HOYS before (not including SFAS). A qualification for a regional final would need a day ticket and also to attend the supreme final they would need another day ticket.

The regional and supreme champions are then no longer able to compete within these classes for the following season. Hopefully this will be the transition to becoming full members and progressing into the existing classes. This enable people to follow this series for more than one season. In season 2 they have to be members.

## BSHA OPEN RACEHORSE TO SHOW HORSE CLASS (2022)

Mare or gelding, 4 years old or over, exceeding 148cm. Open to thoroughbred horses retired from training. The class will run as an open ridden class, therefore all exhibits will be ridden by the judge and all exhibits maybe required to gallop. Horses must be registered with the Association as either a Hack, Riding Horse or Hunter to compete in this class (day ticket available). The two highest unqualified exhibits qualify for the final at the BSHA National Championship Show.

## 10. SPECIAL AWARDS

The Association will award an Amateur, Novice and Young Rider rosette in each Affiliated Open class, (with the exception of Open Working Show Horse, Ladies Show Horse and HOYS Hunter classes). The awards will go down the line; there is no limit on how many of these rosettes can be claimed in a year.

The BSHA offer a Owner/Breeder rosette in each In-Hand Breeding class with the exception of the Foal classes, these have been kindly sponsored by the **Kellythorpe Stud**. The awards will go down the line; there is no limit on how many of these rosettes can be claimed in a year. All competitors receiving this award should contact the office to register their interest in the **Kellythorpe Stud Owner/Breeder Final** at the National Championship Show.

**Championship:** All Affiliated Shows holding Open Championships will receive the Association's Champion Rosette. All Affiliated Shows holding RIHS Amateur Championships will receive the Associations Amateur Champion Rosette.

Such appeal shall be made in writing within 14 days of receipt of the decision of the Board and thereafter the matter shall be dealt with in accordance with clause (D) below. If the Board have imposed a fine, the payment of such fine shall be suspended until the decision of the Disciplinary Tribunal is communicated to the appellant. If such appeal is unsuccessful then the Disciplinary Tribunal may order the appellant to pay such part of the Association's costs in respect of such appeal as it thinks fit.

### 18. EQUINE INFLUENZA VACCINATIONS

It is strongly recommended that all horses registered with the BSHA have Equine Influenza and Tetanus vaccinations. The requirement for the first 3 vaccinations is as follows: the first 2 vaccinations 21 – 92 days apart, a third booster between 150 – 215 days, and an annual booster vaccination within 365 days thereafter. No horse should enter competitions within 7 days of an EI vaccination. Foals should commence vaccinations at 6 months old. This Rule may be subject to change from guidance from the FEI/BEF and any changes will be notified via the Association's website. The current FEI ruling is for a six-monthly booster as opposed to annual; therefore, it is recommended that you check with shows that fall under FEI regulation before entering e.g. Windsor, Hickstead, HOYS etc.

## 20. BSHA GOVERNANCE

### OUR VISION

We will promote the breeding the showing of all Equines that are true to type and fit for their purpose with particular emphasis on the Hack, Cob, Riding Horse and Hunter.

We will do this by encouraging learning across all our membership through the on-going training of our judges, the dissemination of knowledge and information to our members and by promoting breeding to type.

We will put on our own shows and encourage other shows to be run in accordance with our rules to ensure that there is a consistent application of our governance rules and a transparent method of judging.

We will encourage mutual respect amongst all our membership and bring back the enjoyment of showing. We will support every member to achieve their own goals and celebrate their success.

We will uphold strong values on the welfare and well-being of all equines. Equine obesity will be actively discouraged and we will take action against those using prohibited substances or undertaking other abuses.

We will not tolerate abuse of our members or judges through social media or other means and will remove membership from those who do.

We will maintain, progress and strengthen our procedures to provide a robust governance system.

We will promote our sport to new members and encourage a broader understanding of the unique heritage of our equine types and breeds.

### INTEGRITY STANDARDS

It is key to the successful running of our Association that we deliver high ethical standards for both our equine and human participants. With our Integrity Standards we seek to make clear the standards we expect from all our members.

For our horses:

- **Our Welfare Policy**
- **Our Anti-Doping Policy**

For our members:

- **Our Conduct and Discipline rules incorporating our Social Media and Internet policy**
- **Our Conflicts of Interest Policy**

All our policies are available on our website. If you have any concerns regarding the compliance of our members with our Integrity Standards please refer to our Complaints Procedure.

### WELFARE POLICY

The horse's welfare is paramount at all times. The BSHA endorses the British Horse Society guidelines for the welfare of horses and these guidelines should be followed except where our rules specify otherwise.

In this regard please make sure you are familiar with our rules and guidance on tack, bits, spurs and whips.

The Association discourages the showing of overly fat horses and Judges will take this into consideration when making their awards.

The Association encourages riders to consider their weight and whether their horse is up to carrying that weight.

The Association will not tolerate any doping of horses. Please refer to our Doping Policy.

## GOVERNANCE POLICIES

The Association expects members to consider the welfare of their horse at all times when they are travelling to or from or whilst they are on a showground. Consideration of temperature, feed, hydration needs and amount of work are required. Excessive working in which does not fall within boundaries acceptable to our Welfare Stewards, will result in disqualification from the class or disciplinary action.

### CONFLICTS OF INTEREST

A director, employee, judge or steward of the Association has a duty to avoid any conflict of interest with our rules and policies and should not act in any way that undermines the integrity of the Association.

A conflict arises when you are in a position to derive personal benefit from actions or decisions made in your official capacity.

Any activity which even appears to look like a conflict of interest should be avoided. If you are in any doubt you should immediately inform the Chairman of the Association in writing who will determine whether the activity is unethical, improper or might damage the reputation and standing of the Association.

At the start of each calendar year all directors, employees, judges and stewards will be asked to submit a form setting out any potential conflicts and how they will be avoided. Directors will be asked at the commencement of each board or sub-committee meeting to inform the board of any new potential conflicts.

Receiving or benefitting from gifts or hospitality from a competitor or owner is a potential conflict and must be declared before 31st October in each year. Conflict of Interest forms can be sent on request from the office by email.

The Association considers it a Conflict of Interest if a judge accepts any hospitality from a competitor at the show they are judging at.
