BRICK STABLING & WAITING LISTS

Brick stabling sells out very quickly, here's a guide about **what to do if some, or all of your chosen nights are sold out:**

Firstly, decide if you **Prefer** or **Require**: if you'd prefer brick but will accept temp OR you will only book brick stabling.

- Prefer:** book the nights that are available in brick AND book the other nights in temporary stabling. On the nights that are unavailable select to join the Waiting List and select SWAP. Example shows Weds & Thurs brick available, Fri & Sat booked temp ↓

- Require:** do not book temporary stabling, just request to join the waiting list. Click on the nights that you want to join the Waiting List and select BOOK. Example shows all nights request waiting list, no temp booked ↓
