ADDITIONAL INFORMATION

[MORE INFO](#)

Registration and recording of results are FREE.

The Sunshine Tour checks the eligibility of all horses/ponies using the information given and will issue a **HORSE REGISTRATION NUMBER** if successful. Registration is required each year.

When results are correctly recorded, The Sunshine Tour will verify the placing and issue a unique **QUALIFICATION CODE**. Each qualification code can be used ONCE to enter into one championship class (same horse/competitor combination, discipline and level).

PAID FOR ENTRY is necessary to take part in the championship show, entries open in early August (date to be confirmed and will be publicised on the website and social media).

Qualification does **NOT** guarantee entry in championship classes, entries are taken in the order of receipt and some classes can fill very quickly.

Class Criteria: rules used to judge qualifying classes (e.g. format/rules of class, restrictions on age of rider, height/colour/breed of horse, etc.) might not exactly match the championship class. It is the **COMPETITOR'S RESPONSIBILITY** to read the schedule about the rules and criteria of each class.
