Key Facts for Show Organisers

- **Registered Centres/Clubs/Shows** are automatically listed on our website that is circulated to competitors. You are given the opportunity to publicise your show dates via our Facebook page and group.
- **Qualifier classes** are listed on the website and sent to you. However, this is just for your information and to help advise competitors, it is up to the competitor to know which classes are eligible.
- You are expected to run competitions to a good standard judged according to relevant rules. We recommend British Dressage, British Showjumping, British Riding Club, Pony Club or an official show society.
- We reserve the right to withdraw registered shows who are not 'playing by the rules' or we feel that you are not upholding the standards expected, not completing the competitors' qualification process or advertising shows as qualifiers outside the qualification period.

Action Points – What Show Organisers NEED TO DO

1. **Complete** an online application. We will send information and resources via email.
2. **It is compulsory to submit your show dates to Sunshine Tour.** We will publicise them.
3. **Promote Sunshine Tour to competitors.** Use any/all methods:
 - a. Use official wording and logos in your schedule.
 - b. An official poster at your events.
 - c. Hand out information slips- these are **not** proof of results!
4. **Be clear with eligible placings** - 1st to 3rd for Show Jumping and Dressage, 1st to 4th for Showing and Eventer's Challenge. One qualifying code per qualifying result given in ALL disciplines.
5. **Help competitors verify their qualification** by publishing results promptly and showing the necessary information.
 - a. **Dressage, Show Jumping & Eventers Challenge** - **publish results**, within 2 weeks of your show (one week for late July shows). Clear results can be published how you choose – at the show, website, or Facebook etc, THEY MUST be available for competitors to access to verify their qualification. They **MUST** show the venue/organiser, date, class, horse, competitor and placing.
 - b. **Showing – EITHER publish results OR sign qualifier forms.** If you are signing forms, you MUST tell us who is permitted to sign and you MUST NOT pre-sign them and hand out without the competitor details and results filled in, this does not verify a result and leads to cheating on qualifications.
