Journey Through Hickstead

Start your journey at your stable or horsebox. Make sure you've got everything and **don't forget your bridle number**.

Navigate around the trailers, tents, wheelbarrows, excited children and everyone else in your way (!) and head for the bottom of the 'Stable Field' and your journey to your championship starts. Get a march on, it's a big place!

Remember to factor in how long it takes to get from your stable or parking place to the bottom of the stable field.
