SUNSHINE TOUR 2026

SECTION 1

ESSENTIAL INFORMATION & GUIDANCE

Please read before proceeding to Section 2: Schedule Information

Introduction

Congratulations on qualifying for the Sunshine Tour Championship! We're thrilled to be able to offer you the chance to compete at the iconic All England Jumping Course at Hickstead, a venue steeped in history and prestige.

The championship aims to provide a fun, exciting show run to the highest standards, all whilst maintaining a friendly and inclusive atmosphere. The spirit of the event is firmly rooted in being an amateur and unaffiliated championship, which is a value held dearly by the organisers, sponsors, and fellow competitors. While some horses or riders may have had light experience in affiliated competition, professionals and experienced affiliated combinations are not permitted. It's important that all competitors respect not only the letter of the law but also the spirit behind them. If you're unsure about your eligibility or which section you should enter, you're encouraged to contact the team at info@sunshinetour.co.uk for guidance.

The organisers hope that all participants will help to foster a fair and enjoyable competition for everyone involved. Best of luck, and most importantly, have a fantastic time at the Sunshine Tour!

HOFMAG PRACTITIONER

Hofmag uses PEMF (Pulsed Electromagnetic Therapy) to target inflammation within the body which may occur as a result of stress, injury or exercise. Inflammation can reduce ATP (adenosine triphosphate) production, which is the cell's primary energy source.

When ATP levels are reduced, the cells are less able to perform vital processes effectively. This can contribute to fatigue, pain, stiffness and a reduced range of motion, resulting in slower recovery time.

Hofmag's pulsed magnetic field technology can support increase ATP production within cells, helping to restore balance and enable dysfunctional cells to recover and perform effectively again.

Some of the areas the Hofmag may help with include:

- Inflammation
- Trauma
- Mobility
- Supports pain management
- Recovery
- Relax tight stiff muscles
- Improve performance
- Accelerate recovery

Penetrating up to 20cm deep, the Hofmag can reach those difficult areas that are hard to access manually, making it an ideal complementary therapy alongside physiotherapy, osteopaths and other professionals.

The Hofmag is also FEI approved, allowing it to be part of your horse's routine throughout the year.

Ensuring your horse remains comfortable and able to enjoy its discipline at any age is our foremost priority, so why not treat them to a Hofmag session?
