SECTION 1

ESSENTIAL INFORMATION & GUIDANCE

Please read before proceeding to Section 2: Schedule Information

Introduction

Congratulations on qualifying for the Sunshine Tour Championship! We're thrilled to be able to offer you the chance to compete at the iconic All England Jumping Course at Hickstead, a venue steeped in history and prestige.

The championship aims to provide a fun, exciting show run to the highest standards, all whilst maintaining a friendly and inclusive atmosphere. The spirit of the event is firmly rooted in being an amateur and unaffiliated championship, which is a value held dearly by the organisers, sponsors, and fellow competitors. While some horses or riders may have had light experience in affiliated competition, professionals and experienced affiliated combinations are not permitted. It's important that all competitors respect not only the letter of the law but also the spirit behind them. If you're unsure about your eligibility or which section you should enter, you're encouraged to contact the team at info@sunshinetour.co.uk for guidance.

The organisers hope that all participants will help to foster a fair and enjoyable competition for everyone involved. Best of luck, and most importantly, have a fantastic time at the Sunshine Tour!

Entry Conditions & Deadlines

QUALIFICATION & ELIGIBILITY

Pre-qualification and participation in a championship class is required to compete at the Sunshine Tour Championships. Each qualification number allows you to enter one championship class at the same level as your qualification, or at a higher level if eligible. You may compete on different days and in different Tours, subject to certain restrictions.

Restrictions: Both the horse and rider must meet the eligibility criteria for each class entered. It is your responsibility to ensure you comply - see Qualification Restrictions at www.sunshinetour.co.uk for clarification. Link [HERE](#). If you are found to be competing in a class for which you or your horse are not eligible, your entry may be cancelled without a refund, and any placings or prizes already awarded may be forfeited.

Qualification is not a guarantee of your entry being accepted. Some classes may fill before the closing date. If your class is full, there might be an alternative class to choose or you can join a waiting list.

Show Jumping Tours & Range of Heights: You can compete on more than one day and more than one Tour, if you fit the restrictions for the lower Tour. The range of classes entered by each horse/pony and rider combination must be a suitable for the capability of the combination. There must not be more than 20cm difference from lowest championship class to the highest (e.g. if you compete in a 60cm championship, you can compete in championship classes up to 80cm if you have relevant qualifications, but not 85cm or above).

START TIMES, COMPETITION ARENAS & WARM-UP ARENAS

Class start times are published from 7th September. Please allow yourself plenty of time to arrive, park and make your way to the warm-up arena, it can take considerably longer than a day-to-day show. We make every effort to keep classes running on time, but class start times are approximate and circumstances may influence actual start times on the day.

Drawn orders: competitors are arranged in a drawn order and you must jump in that order. 2 minutes per round can be used to estimate your actual jump time. We try to factor in multiple rides, horse sharing or other classes - any clashes or discrepancies about drawn orders must be raised with organisers by 9th September.

Declarations: **You must declare at ringside in good time.** Failure to declare may result in your slot may be bypassed and you may not be able to compete. We cannot guarantee to offer an alternative slot for late arrivals. Refunds are not given for missed slots.

If you are riding more than one class on the same day, there can be several hours between your rounds. Day stables may be available to book on the day at £30.00/day - enquire about availability at the Stable Manager's office in the Stable Field.

Show jumping Competitions are held on surfaced arenas. Classes may move to a different arena to facilitate the smooth running of the show.

Warm Up: Available in 2 stages: unlimited time on grass (not necessarily next to competition arena) for flat warm up; limited time on sand (approx. 15-20 minutes) for jumping warm up, restricted to next riders due to compete. Lunging is not permitted in warm up areas.

HOFMAG PRACTITIONER

Hofmag uses PEMF (Pulsed Electromagnetic Therapy) to target inflammation within the body which may occur as a result of stress, injury or exercise. Inflammation can reduce ATP (adenosine triphosphate) production, which is the cell's primary energy source.

When ATP levels are reduced, the cells are less able to perform vital processes effectively. This can contribute to fatigue, pain, stiffness and a reduced range of motion, resulting in slower recovery time.

Hofmag's pulsed magnetic field technology can support increase ATP production within cells, helping to restore balance and enable dysfunctional cells to recover and perform effectively again.

Some of the areas the Hofmag may help with include:

- Inflammation
- Trauma
- Mobility
- Supports pain management
- Recovery
- Relax tight stiff muscles
- Improve performance
- Accelerate recovery

Penetrating up to 20cm deep, the Hofmag can reach those difficult areas that are hard to access manually, making it an ideal complementary therapy alongside physiotherapy, osteopaths and other professionals.

The Hofmag is also FEI approved, allowing it to be part of your horse's routine throughout the year.

Ensuring your horse remains comfortable and able to enjoy its discipline at any age is our foremost priority, so why not treat them to a Hofmag session?
